

# I AM...

Your group will be investigating 3 verses from the list below (either red/purple/blue/green).

For each of your group's verses:

1. Read the verse out loud.
2. Talk together about what that verse says about:
  - *who we become when we choose to follow Jesus?*
  - *who we are to God?*
3. Then, write an 'I am' statement in the space below, based on what you have found out from that verse. *For example: I am a child of God.*
